This statement is not given voluntarily, but under duress. I am only giving this statement at this time because I know that I could lose my job. This "TO/FROM" report should not be considered a verbatim statement but only a summary of requested information.

On 6 Nov. 2011 P.O. Sandoval # 11169 and P.O. Barrios #5795 while on patrol curbed [REDACTED] for a traffic violation. As P/O's were approaching [REDACTED] vehicle P/O's observed [REDACTED] leaning forward as to reaching under his seat. P/O's fearing for their safety ordered [REDACTED] to show his hands. [REDACTED] would not comply to any commands and became verbally combative at which time P.O. Sandoval #11169 opened the car door and assisted [REDACTED] out of the vehicle by his arm. P.O. Sandoval immediately conducted a protective pat down for officer safety at which time [REDACTED] was detained in the back seat of P.O.'s vehicle for a name check and traffic citations issued. P.O. Sandoval #11169 did conduct a cursory search of the immediate area that was accessible to [REDACTED] for a weapon for officer safety. After traffic citations were issued [REDACTED] was released back to his vehicle.
